

Ventura County Chapter August 11, 2022 Hybrid Meeting

*Collaborating Across Generations in the Workplace - Panel Discussion
2022 Scholarship Award Announcements
And Please Bring a Young Professional to the Meeting!*

THIS MONTH'S PROGRAM:

TOPIC

Panel Discussion on Collaborating Across Generations in the Modern Workplace & 2022 Scholarship Recipient Announcement & Bring a Young Professional from your firm!

For the first time, five distinct generations are represented in the workplace: Traditionalists born before 1945; Baby Boomers born between 1945 and 1965; Generation-X born between 1966 and 1985; Millennials/Gen-Y born between 1986 and 1997; and lastly Generation Z born after 1997. Each of these generations has its own values, attitudes, work ethic, and motivations, potentially creating workplace challenges.

Three public works panel members will represent different generational perspectives and viewpoints. Pre-prepared topics and questions from attendees will round out the discussion. Please join us for an insightful and (potentially humorous) meeting, **and don't forget to bring a Young Professional from your office!**
