Pre-Con Facility Technical Tour and Social Mixer Event

Thursday, February 2nd, 2023

Please join us for our next free APWA Young Professionals Forum (YPF) technical tour and social mixer on **February 2nd, 2023** at **Pre-Con Products Ltd** facility located in Simi Valley. Pre-Con technical staff will provide a 1 hour technical tour of their StormPrism at the facility.

Afterwards, join us for a social mixer at **Enegren Brewing Company** in Moorpark. Young Professionals and their mentors are encouraged to attend and network!

Young members will have an opportunity to build their network and learn about precast concrete manufacturing and Pre-Con Products related to manufacturing concrete storm water structures. APWA members of all ages are welcome. Closed toes shoes and long pants are required.

Happy hour with drinks and appetizers will be provided for those who RSVP ahead of time!
