Lake Bard Technical Tour and Mentor Mixer Event

Tuesday, August 23rd, 2022

Please join us for our next free APWA Young Professionals Forum (YPF) technical tour and social mixer on **August 23rd, 2022** at **Calleguas Municipal Water District's Lake Bard Water Filtration Plant and Conejo Hydro** at CMWD's facility in Thousand Oaks. Calleguas' operations supervisor will provide a 1 hour technical tour of the facility, which includes a surface water treatment plant, 10,000 AF lake, pump stations, hydro, and reservoir.

Afterwards, join us for a social mixer at **Enegren Brewing Company** in Moorpark. Young professionals and their mentors are encouraged to attend and network!

Young members will have an opportunity to build their network and learn about water treatment and distribution at this event. APWA members of all ages are welcome. Closed toes shoes and long pants are required.

Happy hour with drinks and appetizers will be provided for those who RSVP ahead of time!
