

# Ventura County Chapter September Lunch Meeting

## California Water Resources Control Board New Trash Implementation Program

### Speakers:

*Curt Kruger and Maryjane MacLeod from  
Contech Engineered Solutions*

This presentation will provide a guide for developing plans to comply with the new State trash capture requirements. Curt Kruger has been Stormwater Consultant for Contech for eleven years. He currently serves on the Trash Policy Implementation Committee of the State Water Board. Maryjane has over 25 years of experience in project consulting with extensive involvement with the implementation of Stormwater solutions in Southern California. Both small and large capture systems will be discussed from planning through project implementation.
