

APWA Ventura County

2022 Project of the Year Nominations

The **APWA Public Works Project of the Year Award** recognizes outstanding Public Works projects in Ventura County. Awards are given in **five** categories:

1. **Structures**—public structure rehabilitation, municipal buildings, parks.
2. **Transportation**—roads, bridges, transit, bicycle and pedestrian improvements.
3. **Environmental**—water/sewer pipelines, water or wastewater treatment facilities, storm water, NPDES programs, watershed management, solid waste, groundwater development & replenishment.
4. **Historical Restoration/Preservation**—adaptive buildings reuse and refurbishment, restoration aimed at maintaining historic features.
5. **Disaster or Emergency Construction/Repair**—safety projects, community relations, disaster recovery or mitigation.

Nominations: Applications require a short project description to describe the project purpose and attributes. Also, include the design/construction team members and project cost. Applicants also need to submit the attached nomination form. A project must be “substantially completed” and available for public use by December 31, 2022. Each project may only be nominated once, but applicants are encouraged to apply to more than one category with separate projects.

Selection Criteria:

- ❖ Construction management techniques including innovative technologies, scheduling creativity, project scope, and/or administrative originality;
- ❖ Safety performance and safe management practices during construction;
- ❖ Effective community relations related to minimizing public inconvenience, public safety precautions, education programs, tours, press relations;
- ❖ Environmental awareness and enhancement, including minimizing/restoring nature, ‘green’ project considerations, habitat sensitivity;
- ❖ Extraordinary accomplishments under challenging conditions, including adverse weather, difficult site conditions, public controversy, extreme expedience;
- ❖ Exceptional quality control, value engineering, construction innovations or other creative money or time savings that optimized the outcome.

Winners will be recognized and be giving the opportunity to present their project at an Chapter APWA meeting in 2023. All projects selected for a Chapter Award will also be encouraged to apply for a National APWA Project of the Year Award.

Please submit your applications in PDF format to Kash Hadipour, Project Awards Committee Chair at kash.hadipour@hdrinc.com (949) 289-2115
Submit your project(s) by November 11, 2022 to participate!

We also encourage you to nominate a key member of the Project Team for the Professional of the Year award!
