

Ventura County Chapter January Lunch Meeting

US Army Corps of Engineers Emergency Project Permitting

**Lisa Mangione, US Army Corps of Engineers, Senior Regulatory
Project Manager**

El Niño has arrived! Lisa Mangione, a Senior Regulatory Project Manager for the US Army Corps of Engineers with over 25 years experience will outline the process for obtaining Corps permits for emergency projects resulting from natural disasters such as an El Niño . She will remind us of the limits of the Corps jurisdiction, define the Corps definition of an emergency project, and provide us with some tips to successfully navigate the Corps emergency permitting process. Please join your friends and colleagues at APWA for this most interesting and informative program.
